**Subject:** Master's Programs at the Faculty of Political Science and Sociology – Complutense University of Madrid

Dear colleagues,

The Faculty of Political Science and Sociology at Complutense University of Madrid is pleased to share with you information about two of our distinguished Master's programs:

**1. Master's Degree in Nationalism Studies**

Our Master offers a world-leading programme in the study of nationalism and national identities. The Master in Nationalism Studies takes an interdisciplinary approach which combines history, political science, sociology, and anthropology.
