

## **RNDr. Karolína Tomčíková, PhD.**

She works as a scientific researcher at the Department of Laboratory Medicine, focusing on the field of virology. Previously, she worked as a scientific researcher at the department of virus ecology of the Institute of Virology, BMC, SAS, focusing on the study of influenza viruses, antiviral immunity and influenza-associated secondary bacterial infection

**Born:** 1991

**Doctoral degree:** 2019

### **Publications:**
