Assoc. prof. Michaela Gašparová (Hromková), Ph. D is an associate professor at the Faculty of Health Care and Social Work of Trnava University in Trnava. In her teaching and research activities, she focuses on management in social services, marketing, social entrepreneurship, financing and fundraising, as well as new trends in the field of social services management (particularly human resource management and employer branding) and the issue of social services for people with disabilities. She is a member of ERIS (the European Research Institute for Social Work), lectures at several foreign universities, serves as a reviewer for scientific and professional journals, and has worked on five domestic projects and one international FP7 project, in which she acted as a project coordinator. She is the author or co-author of six scientific monographs, six university textbooks, and numerous scientific articles.
