Katarína Levická, Ph.D., MSc. et MSc. She is an assistant professor. She focuses mainly on the ethics of social work, students' professional development and the research methodology in social work, especially qualitative research techniques. She was also holding postdoctoral position in the research project Identity of Social Work in Context of Slovakia. Moreover, she focuses on non-pharmacological approach in the care of people with dementia and cognitive-behavioral therapy. Katarína Levická is co-author of several monographs, scientific papers published in domestic and foreign journals. She regularly attends international scientific conferences and symposia, as well as world congresses. She lectured at several universities in Slovakia, but also in the Czech Republic, Lithuania. She cooperates with the City of Trnava in the development of a community plan and addressing social services for several vulnerable groups of citizens.

Year of acquisition MSc.: 2008
