Office Room Number: A107

Veronika Schmidtová, MSc. is an assistant of the Department of Social Work at Faculty of Health Sciences and Social Work, Trnava University of Trnava. She studied of Social Work at Matej Bel University in Banská Bystrica in 2016. During the study she focused on social work with people with mental disabilities and reminiscence as an activation-therapeutical approach in social work with seniors. Her dissertation focuses on the needs of families with children with disabilities. She acted as a volunteer in Banská Bystrica in a day care center for seniors, the program “Opri sa o mňa” and is a volunteer in the civic association “Spoločnosť”. Currently, she is a member of the APVV project Analysis of the needs of social service in the area of early intervention in Slovakia and in the APVV project Identification of mechanisms of early diagnosis of Syndrome CAN.
